Front-End Intern

Kateryna Brylliantova

Kyiv, Ukraine

email: k.brilliantova@gmail.com
skype: tien_ua
phone: +380 63 760 94 66
GitHub: https://github.com/Kathien
CodinGame: https://www.codingame.com/profile/d977a065d3647b12512f0ee2d35a06597085021
Pluralsight: https://app.pluralsight.com/profile/kathien

Skills summary:

Front-End: HTML, CSS, Bootstrap 3, JavaScript, jQuery
Android: API levels 15-23, Java 7, JDBC, Material design, REST, Google Maps API
C++: C++11, STL, Qt, OOP, GNU toolchain
Functional programming: Haskell (basic knowledge), GHC/GHCi
Data serialization formats: XML, JSON
Git: Git, Git GUI, Github
Linux: Ubuntu, Debian
Task management: Trello

Projects:

CV Page: http://kathien.com.ua/
HTML5, CSS3, Font Awesome
Personal web page created for practicing different front-end technologies and to show my CV in a less formal way.

DonorUa: https://github.com/Kathien/DonorUa
Android, REST-client, Material design, Google Maps v2 API.
Application uses open API to show information about current patients who need blood, blood centers and their location on the map, news and events of the DonorUa organization (https://donor.ua/).

Weather Radar: https://github.com/Kathien/Weather-Radar
Android, Google Maps v2 API. OpenWeatherMaps API
This app was written to help people riding motorcycles plan their trips. App shows different weather conditions like precipitation, temperature, wind power worldwide. it focuses automatically on user's location and allows to predict whether user will get into some storm or maybe just little drizzle.

VPF: https://github.com/Kathien/VirtualFrontPanel
VPF Echo Server: https://github.com/Kathien/VFPEchoServer
C++11, Qt, JSON, TCP/IP
Virtual front panel for a gating controller. To check and ensure proper functionality a small server imitating the controller itself was written. MVVM pattern and dependency injections were used.

Courses:

CodeSchool: HTML, CSS, JavaScript
CodeFire: September 2014 - January 2015 - Java development
CodeFire: March - April 2015 - Android development
Udemy: The Complete Android Developer Course
Pluralsight: C++ Developer Path, Qt, Haskell

Language proficiency:

English: Advanced
Ukrainian: Native
Russian: Native

Education:

National University of Kyiv-Mohyla Academy
2005-2010 Bachelor's degree in Finance
2010-2012 Master's degree in Economics and Consumer Behavior
